MiFID II product governance / Retail investors, professional investors and ECPs target market - Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Certificates

has led to the conclusion that: (i) the target market for the Certificates is eligible counterparties, professional clients

and retail clients, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for

distribution to eligible counterparties and professional clients are appropriate; and (iii) the following channels for

distribution of the Certificates to retail clients are appropriate - investment advice, portfolio management,

non-advised sales and pure execution services - subject to the distributor's suitability and appropriateness

obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the

Certificates (a "distributor") should take into consideration the manufacturer's target market assessment; however,

a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Certificates (by either adopting or refining the manufacturer's target market assessment) and determining

appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under

MiFID II, as applicable.
